

Arrow Montessori School of San Dimas

Summer Camp 2009 – Primary, Elementary and Middle School

Week 1 (June 29 to July 3) SWIMMERS

We're opening the camp with a favorite summer sport – swimming! We'll plan on sports games and competition this week. On Wednesday, we have a special **Red, White and Blue Parade and a Lunch Pot Luck** to commemorate Independence Day. School will be closed Friday – July 3 in observance of the 4th of July Holiday.

Week 2 (July 6 to 10) DISCOVERY

Nothing gets to satisfy our curiosity more than having the chance to discover things and events on our own. This Wednesday we are taking a trip to the **Discovery Science Center** in Sta. Ana hoping to discover the how's and why's of the physical and biological sciences.

Week 3 (July 13 to 17) COLORS!

We'll have lots of fun art and crafts activities this week. Art is always a fun activity for all. This Wednesday – we will be expressing our personal art by creating a project with the help of **Color Me Mine** instructors.

Week 4 (July 20 to 24) OLYMPICS

Having seen the Beijing Olympics last summer, we are having our own in school this summer. We'll be having Olympics sports this week. On Wednesday – we'll have a field trip to **Pump it Up!** Where all the children will have 2 hours of jumping in large inflatables.

Week 5 (July 27 to July 31) CAREERS

What can we be when we grow up? We're inviting parents this week to share a few minutes with the children to talk about their career and what they do. We'll be having a **Pizza and Ice-Cream Party** this Wednesday to celebrate the success of our future work force.

Week 6 (August 3 to 7) GOLF

Doing outdoor activities means more fun! We'll be taking the children to **Boomer's!** this Wednesday, where they can have a round of miniature golf and mini-carnival rides, when applicable.

Week 7 (August 10 to 14) CYCLES

Going places with bicycles, tricycles, and scooters is an achievement any child aspires for. This Wednesday – we'll have a **Bike Fair with popsicles and ice-cream**. Children will be allowed to bring and ride their own bicycles, tricycles, scooters and HELMETS for the day.

Week 8 (August 17 to 21) MUSEUMS

The children have so much fun preparing the school for exhibits and fairs. This week, each class will prepare their classroom for an exhibit in the field of art, science, or language. This Wednesday we are taking the children on a field trip to the **California Science Center and IMAX THEATER**.

Week 9 (August 24 to 28) FAREWELL

We're ending our summer camp with an outdoor **MOON BOUNCE ACTIVITY and LUNCH POT LUCK** on Wednesday. You'll need lots of energy and a pair of socks for the day. See you next summer!
