Week 1: (June 28 to July 2) welcome summer!

Welcome to Summer Camp 2010! We'll start the week swimming for the older children while the young ones will have their splash days! We'll have a RED, WHITE AND BLUE PARADE and LUNCH POT LUCK on Wednesday and celebrate with hot dogs and ice-cream.

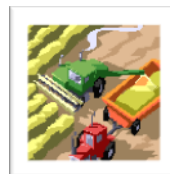

Week 2: (July 5 to 9) marine world

Another world under the sea. We'll be taking a trip to the AQUARIUM OF THE PACIFIC in Long Beach this Wednesday – and study about fishes, corals, sea life, aquatic plants and other marine animals.

Week 3: (July 12 to 16) around the world

Cultures and Peoples are our theme this week. Visit our WORLD BAZAAR this Wednesday and see our MAGIC SHOW. There'll be dazzling magic, hilarious puppets and lots of interaction and comedy.

Week 4: (July 19 to 23) let's go to the farm

We are going to TANAKA FARMS in Irvine this Wednesday for a farm tour. We're going on a wagon tour around a 30 acre farm, taste and see how summer fruits and vegetables grow, and even pick our own watermelon to take home!
