

Primary Field Trip Permission Slip Summer School 2011

The summer is filled with exciting fun and adventures. Attached you will find a field trip schedule outlining all field trips and special events. It is necessary that you give permission for your child to attend the field trips.

We apologize, but we do not have child care provisions for children who do not attend the field trips.

Please check the field trip that corresponds with the weeks you have registered your child for summer school.
Sign and date this form and return it to the office prior to your child's first day of summer school.

Please notify the office at least 5 days in advance if there are any changes and/or cancellations to your child's summer field trip enrollment. A Field Trip Withdrawal Form must be filled out and submitted to the office.

All students ride a school bus to be transported back and forth to the site of the fieldtrip, unless otherwise specified. For the safety of the children, all students are required to wear their school t-shirt on all field trip days.
All students are required to bring sack lunch when attending field trips including in house programs, unless specified. Field trips and prices are subject to change.
